

Special Travel Notice for Ukraine

Posted: February 5, 2016

PC/Ukraine welcomes PCVs from other countries and requests to follow the restrictions below:

Since PC Ukraine volunteers are placed in the central and western oblasts in Ukraine, PCVs visiting from other countries must be aware of the following requirements prior to initiating travel to Ukraine:

1. Travel is prohibited in the eastern and southern oblasts (yellow and red zones) including Odesa. Travel is permitted in the Green Zone only including Kyiv (see map below);
2. In addition to the usual guidance for Volunteers requesting approval to visit another Peace Corps country, PC Ukraine requests detailed itinerary and travel plans two weeks prior to confirming reservations;
3. Peace Corps Ukraine requires a detailed Trip safety plan for travel to Kyiv. A template of the plan is available from the PCU SSM.
4. Country Director reserves the right to deny the request;
5. This guidance is subject to further revision as conditions warrant.
