

### **Special Travel Notice for Paraguay**

Posted: January 15, 2016

Revised: March 15, 2016

In accordance with MS 220, Section 3.3.2 (c), PC/Paraguay is **restricting Volunteer travel to Paraguay until May 1, 2016 (or further notice) due to a Dengue epidemic and El Niño**. The Ministry of Public Health and Social Welfare has declared an alert for Dengue, Chikungunya and Zika throughout the country. Post continues to respond to a strong El Niño climate cycle with impacts to operations.
